The iyāśya Spa Journey

Sensory calm with our signature diffuser blend Pārijāta . The Iyasya Fragrance curated for the likes of the royalties with the richness of Rose, Jasmine and Frankincense creates a tranquil and delightful environment. A small version is for sale for you to carry along.

Relaxing drink before the therapies may offer several benefits that enhance the overall spa experience. Key benefits aids digestion, hydration, antioxidant, cooling effect, improved circulation. A welcome gesture which will help work on balancing the digestive fire and pitta humor.

Consultation: We start by discussing your preferences and any specific concerns you may have. Whether you're seeking relaxation, relief, or simply want to indulge, we'll tailor the ritual to meet your needs.

Expert Therapists: We have a team of highly trained and experienced therapists who are well-versed in the traditional and latest techniques.

As you depart, may the lingering fragrances of essential oils continue to soothe your senses, serving as gentle reminders of the tranquil oasis you found within our abode. Carry with you the essence of relaxation and inner harmony, nurturing it as a precious gift to be cherished long after you leave our sanctuary

Sustainability at spas not only aligns with the broader global effort to combat climate change and reduce environmental impact but also enhances the guest experience. We are now choosing eco-friendly and cruelty-free products to align with eco-conscious consumer preferences.

The background is a soft watercolor wash in shades of pale yellow and light green. It is decorated with various green leaf motifs: a cluster of long, pointed leaves in the top left; a group of leaves with small round berries in the top right; a small leafy sprig in the bottom left; and a single leafy branch in the bottom right. A large, faint laurel wreath is centered in the lower half of the image.
